Free to EEASC members
\$5 for non-members

This event for teachers and environmental educators will highlight SJN's journey to bring a saltwater aquarium into the classroom. Participants will learn about:

- SJN's innovative fundraising efforts
- SJN's education and maintenance partnership with Aquarium Specialty
- How the aquarium is supporting interdisciplinary project-based learning throughout the school
- Student engagement and academic achievement

Speakers include Richland County's Conservation Teacher of the Year, David Kenga, and an aquarium specialist from Aquarium Specialty.

Refreshments and door prizes!
