

The Environmental Education Association of South Carolina presents:

Wildlife in the Classroom

May 10, 2016

4:00 – 5:30 PM

Catawba Trail Elementary School

1080 Old National Hwy., Elgin, SC 29045

Join the Environmental Education Association of South Carolina for a Wildlife in the Classroom workshop! This event is open to all formal and informal educators and will include information about integrating wildlife-focused environmental education into the classroom. We are excited to have Catawba Trail Elementary School teachers Mike Loser and Vikki Pasco host this event and share information about their school wildlife projects, including wildlife cameras, schoolyard habitats, and the Department of Natural Resource's 'Trout in the Classroom' program. Teachers and environmental educators will also have an opportunity to participate in a make-and-take plaster animal track activity.

Cost: Free to EEASC members, \$5 for non-EEASC members (pay at the door by cash or check)
